Docket No W-01445A-12-0348

Dear Chairman and Commissioners,

I'm eMailing regarding the Application for Permanent Rate Increase by Arizona Water Company **Docket No. W-01445A-12-0348.**

As a customer and Arizona citizen, I must **object** to this increase.
I have not read their supporting rationale for this mind boggling request.
However, I rely on All of you to filter out the unsupported chatter.

Maybe it's the time-honored strategy by AZ Water to ask for 36% hike, settling for their real target, maybe 20%. I cannot see either as justified. Require fact checking.
Are they a for-profit entity? It sees so.

VOTE NO, I do understand you must say NO with a reason.

Thanks,

Bill & Bonnie Pumphrey,
Village of Oak Creek Sedona.

Note : not everyone in Sedona has money, as many believe.
